

Product Information Sheet

uvex Dispenser

Issue 1.1, 2019-02-13, TST

General product description & illustration

The dispenser is a wall mounted holder for earplugs.

General product data

Weight:	1062 g/pcs (± 10 g)
Size (mm):	L480 x W160 x D185
Material dispenser:	Body: PP (polypropylene, mineral filled); Top: SBC (styrene-butadiene copolymer) Handle: PP (polypropylene, mineral filled)

Product characteristics

Easy to mount, assemble and to use, the earplug dispenser makes the earplugs accessible to everyone. The earplugs are accessed by twisting the handle, and only need two “clicks”.

The holder is transparent to make it easy to see when it needs to be refilled. It holds 400 pair of plugs. Having an earplug dispenser is comfortable, hygienic and time saving.
